GENERAL INFORMATION

SUPERVISION OF CHILDREN AND EXPLORING GROUNDS

If you have children on your caravan park site, please ensure that they are supervised and/or accompanied by an adult when exploring our grounds. We do have areas of the grounds which are 'out of bounds' for guests to ensure your safety. This includes the Workshop area and the Ipswich Greyhound Racing track. Please be mindful that we are also a shared facility with other tenants on site including Indoor Sports Centre/Inflatable World; Ipswich Greyhound Racing Club; Ipswich 8 Ball Association; Circus Ipswich and Boulevard Function Room. You are welcome to attend these establishments if they are open and trading, however, when the facility is closed, please respect their property. As a guide – please see below – Out of Bounds areas.

Twilight Events are held on first Saturday of the month from 4.00 to 9.00 pm in the area across from the Caravan Park sites. Therefore to control event/market patron parking from entering the carparking area, there will be a chain positioned across the entrance to the lower area of the caravan park on these days.

Access in/out of this area will be via the rear gate of the bottom level caravan park. This access point is restricted to approved personnel and caravan park site permit holders only.

You can check out when our Twilight Events are on, including any other events happening on the grounds of the Show Society.

There is also a range of events, markets and expos that feature in our Event Centre, therefore feel free to check out the events. The calendar of what is happening at the Showgrounds is on our website.
